Fresident R.A.Falconer,
University of Toronto.

Dear Fresident Falconer:

I beg to submit for approval the following
recommendations for appointments in the Department of Obstetrics and
Gynaecology:-

Dr. A. C. Hendrick as Demonstrator in Gynaecology.

Mr. Archibald Johnston as Laboratory Assistant.

Dr. Hendrick's appointment was held over at the time that the others
were made.

Provision for the salary of a laboratory assistant
has been made in the appropriation for the ensueing year.

I am,

Sir,

Your obedient servant,

B. B. Watson

Professor R. R. Watson,
320 Bloor Street West,
Toronto.

Dear Professor Watson:

I have had an application from
Dr. O. A. McNichol, a graduate of Arts and Medicine
of this University, that his name may be considered
when appointments are being made to the staff in
Gynaecology. I have referred him to you, and I
should like to know your judgment on the matter after
he has called upon you.

With kind regards, I am,

Yours sincerely,

President.

Dr. B. B. Watson,

14 Madison Avenue,

Toronto.

Dear Dr. Watson:

I have no doubt^{but} that your visit to the Surgical Clinics at Cleveland and Rochester and your visit to New York will be of advantage both to you and to the University. Since you have made arrangements for the carrying on of your work during your absence I see no objection to your going.

Yours sincerely,

President.
